DATE: March 30, 2012
TO: Medical Professional Liability Insurers
RE: Medical Professional Liability Rate Guide

Pursuant to §2-303.2 and §19-112 of the Insurance Article, the Maryland Insurance Administration ("MIA") hereby requests each medical professional liability insurer that offers medical professional liability insurance policies in Maryland to provide information related to medical professional liability insurance premiums for the following:

- Healthcare professionals (physicians and surgeons);
- Hospitals, medical day care centers, hospice care programs, assisted living programs, and freestanding ambulatory care facilities;
- Dental healthcare professionals;
- Nursing and certain allied health professionals.
- Certain healthcare technicians and assistants classifications.

NOTE: If your company did not receive this bulletin directly from the MIA, or your company does not have medical professional liability insurance written premium for the year 2011, NO FURTHER ACTION IS REQUIRED ON YOUR PART.

These rates should be the base rates charged by class and by territory for policy limits of \$1,000,000/\$3,000,000 based upon mature claims-made rates, with a clean claims history. Please provide the premiums that are effective on or after October 1, 2012, for new business.

This information is necessary for the MIA to publish a medical professional liability rate comparison guide in accordance with §2-303.2 of the Insurance Article. The comparison guide will be posted on the MIA website and distributed in electronic and printed format.

The requested data should be provided in the required format (see attached). Please submit your data via email. Electronic submission is mandatory. No paper documents will be accepted. Data should be submitted to: lglemza@mdinsurance.state.md.us.

RULES FOR COMPLETING THE SPREADSHEETS (reporting requirements) (Instituted in 2010)

1) If your company has no rates for all classes listed in a particular tab, leave blank and do nothing.

2) If your company has at least one rate in a particular tab (or a subgroup within a tab), the following rules apply:

a) Columns A to D, J to L AND N to P MUST BE COMPLETED
for those classes where you supply rates.

b) For those classes where no rates are supplied (within the tab or subgroup), the following apply:

| | |
|-------------------------------------|-----------------------------------|
| Column A | Group code is required |
| Column D | Group or Company name is required |
| Columns J, L and K | Use n/a for all three columns |
| All other columns can be left blank | |

c) NOTE - only alliedhealth and facilities have sub-groups. Refer to Special Instructions in these tabs, located at the bottom of each spreadsheet.

d) Hint - it may be helpful to treat/view sub-groups has tabs within a tab.

Changes to MPL rate guide spreadsheet (Instituted in the 2010 Edition)

- 1) Rates by territory - this is overhauled. Each territory has its own column for rates.
Instead of having 3 rows per specialty (one for each territory), there is only one row for each specialty.
- 2) The following columns have been deleted:
 - a) Old MIA sort code
- 3) The new_renew tab has been deleted. All new_renew information will now be contained within each respective tab.
- 4) New tab - tech - is added. This contains new classes for the rate guide. See notes/rules below.
- 5) Facilities tab - Cognitive Care classes have been re-instituted.
This class was inadvertently deleted for 2009 guide.
Refer to MIA Special Sort codes 6020 and 6021
- 6) The alliedhealth and facilities tabs have been "sub-grouped" for completion of data purposes.

RULES FOR THE NEW TECH CLASSES (this was instituted in 2010)

- a) If your company has premiums for any of these classes, provide the premiums like you would for other classes within this spreadsheet. This includes any classes written through a Risk Purchasing Group only.
If for any class or classes, your company has multiple rates in your manual (for whatever reason...), please contact the MIA first.
- b) If your company automatically provides coverages for any classes under a physician's policy or a corporation policy, enter "rtc".
- c) If your company does not cover any particular set of classes, enter "n/a" for each these classes.

As this is new section to the rate guide, I assume there may be some questions or confusion. Please don't worry about this, just contact us with any concerns.
